MYSORE PUBLIC WORKS DEPARTMENT,

Dated Bangalore.....April.....1924

FROM John Bhore, Esq., A.M.I.C.E., Etc.,
~~S.K.C.A.D.A.M.B.I. Esq.~~,
Chief Engineer of Mysore, Bangalore.

To

K. R. Seshachar, Esq., B.A., B.E., C.E.,
Secretary to Government, Public Works
Department, B a n g a l o r e.

SIR,

I have the honour to forward herewith, for favour of sanction, an estimate and plan, the former amounting to ---- Rs.12,590/- for the construction of a building for the ----- Gynaecological Ward in the compound of the Maternity Hospital at Bangalore.

2. The question of constructing the Gynaecological ward was considered urgent by the Senior Surgeon so far back as March 1921; but for lack of funds the work could not be taken up till now.

3. While the question of finding, ways and means, for the --- construction of the building was under correspondence with the Senior Surgeon, Dr. (Miss) S. Govindarajalu, sister of the late Dr. Govindarajalu offered on certain conditions an endowment of a sum of Rs.10,000/- to communerate the name of her sister in — the Maternity Hospital. This amount was accepted by Government in their Order No.L.2581-3/Med.149-22-5 dated the 5th October 1923; at the same time administrative sanction to the construction of the ward at a cost of Rs.10,400/- was also accorded.

4. The estimate originally prepared and approved by Government for Rs.10,400/- provided lump-sum provisions for items such

such as electric fittings, sanitary arrangements and water connections: consequently Executive Engineer, Bangalore Division was requested to modify the estimate on the lines of instructions given by this office. Accordingly a modified estimate is now --- submitted and it amounts to Rs.12,590/- as checked in this office.

5. Out of the sum of Rs.10,000/- contributed by the donor, a sum of Rs.8,000/- is placed at the disposal of the Public Works Department, as the balance is required for the portrait in oil painting of the late Dr.(Miss) Govindarajalu. This amount of Rs.8000/- will be utilized for expenditure during the current year.

A sum of Rs.8,000/- has been provided for the work in the --- Draft Public Works Budget Estimate for the year 1924-25 to cover --- Government share of cost for the work.

6. The favour of very early sanction to the estimates is requested.

7. Order are also requested to waive the usual charges on account of Establishment and Tools and Plant on the contribution made by the donor.

8. The file of this office is also herewith forwarded for reference and return.
